I cannot say enough about this office!
I receive wonderful care and get to enjoy
the beautiful ocean-front setting. The front office
Staff ^(Donna + Roxie) are always friendly and have a warm and
kind energy. Dr O'Connor offers wonderful
patient care and truly cares about his
patients. I feel very blessed that my family
and I are able to come ~~to~~ ^{to} ^{the} Me'Chosen
Medical office for all our medical needs.
