To Whome this may concern,

My Huband and I are patients of Dr. Robert O'Connor
of Me Chosen Medical Office

We enjoy our Visits to the lovely Surroundings with
outdoor plants, and waiting room looking out to the
water and ships, and view of Victoria.

We find the office Staff and Patients very friendly
and helpful. Our time with Dr. O'Connor is very happy

and Interesting Discussing his Vegetables Plants and Pineapples.

(a Peacefull place in lovely Metchoris)
Daffodil Land.
