To Whom it may Concern

I've been a client at Me'Chosen Medical for about five years now. Dr. Robert Connor is my Physician - he took over the practice of my previous doctor, Dan O'Connell.

I hold Dr. Connor in high esteem. He's always been engaged, punctual, empathetic and willing to suggest alternatives regarding any situation or condition I might find myself dealing with. I truly value our relationship! The office is immaculate - and state of the art.

I've also known Donna Lisa and Rocky for a long time. They always return my calls in prompt order.
